

# IMMUNOLOGY GRADUATE PROGRAM SEMINAR

Co-sponsored by the Environmental Health Sciences Research Center and the Center for Immunology and Immune Based Diseases

Host: Steven Varga, PhD

## Expansion of IL-33+ lung epithelial stem cells following RSV infection in infancy

October 27<sup>th</sup>, 2021 – 12:00 pm | **1289 CBRB**

**Please note the change in location.**

The University of Iowa strongly encourages students, faculty, and staff to be vaccinated against COVID-19. The university also encourages students, faculty, and staff to wear a face mask while on campus, and strongly encourages the use of face masks in all classroom settings and during in-person office hours. However, face mask usage is not required except on CAMBUS and in specified research and healthcare settings.

Contact [immunology@uiowa.edu](mailto:immunology@uiowa.edu) for zoom details!

**Stephania A. Cormier, PhD**
