

IMMUNOLOGY GRADUATE PROGRAM SEMINAR

Sponsored by the Immunology Postdoctoral Training Grant

Host: Immunology T32 Postdocs

Neuronal control of cutaneous Immunity

October 20th, 2021 – 12:00 pm | 283 EMRB

The University of Iowa strongly encourages students, faculty, and staff to be vaccinated against COVID-19. The university also encourages students, faculty, and staff to wear a face mask while on campus, and strongly encourages the use of face masks in all classroom settings and during in-person office hours. However, face mask usage is not required except on CAMBUS and in specified research and healthcare settings.
