IMMUNOLOGY GRADUATE PROGRAM SEMINAR

Control of transfer RNA expression by lymphotropic herpesviruses

December 1st, 2021 – 12:00 pm | 1289 CBRB

The University of Iowa strongly encourages students, faculty, and staff to be vaccinated against COVID-19. The university also encourages students, faculty, and staff to wear a face mask while on campus, and strongly encourages the use of face masks in all classroom settings and during in-person office hours. However, face mask usage is not required except on CAMBUS and in specified research and healthcare settings.

Contact immunology@uiowa.edu for Zoom details!

Jessica Tucker, PhD
Assistant Professor,
Department of Microbiology and Immunology
University of Iowa

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact the Immunology Graduate Program in advance at immunology@uiowa.edu.
